Introduction to Mob Programming

Joe Wright

@joe_jag

All the brilliant people working on the same thing, at the same time, in the same space, and on the same computer.

Agenda

- → Hear (10m)
- → Try (90m)
- → Reflect (20m)

Video Time

Timer

→ 7 Minutes each - then rotate

→ The person at the keyboard is a typist

Strong-style pairing

For an idea to go from your brain to the computer, you have to use someone elses hands

— Llewellyn Falco.

Make it easy

→ Know what example the mob is solving

→ Speak at the right level of abstraction

→ The typist has to trust their navigators

Safety

We made a commitment to treat each with kindness, respect and consideration
